August 21, 2013

**Advertisement for the Appointment of Junior Research Fellow(s)**

Applications are invited on plain paper from suitable candidates for the post of JRF (upto 2 Fellowships) to work in the DST sponsored project “***Collaboration by Indian Physicists on Neutrino Projects***” at ***Fermilab, USA***. The selected Fellow has to visit Fermilab to participate in the neutrino program of the Laboratory.

The candidate must have completed M.Sc. in Physics with a minimum of 55% marks and UGC-NET qualified. The selected candidates with NET qualified for Lectureship will be paid Rs. 12000/- p.m. + HRA and a candidate who has qualified NET with Fellowship will be paid Rs. 16000/- p.m. + HRA. The candidate will have to work as a full-time fellow of the project. This position is valid up to 10-04-2015 only (possibly extendable) and is purely temporary and co-terminus with the project. Interested candidates are encouraged to send the application by email (rbt@cusat.ac.in) to the undersigned. The application should be a single MS-Word or pdf file consisting of a cover letter, detailed CV {with contact phone number(s) and e-mail(s)}, details of marks obtained and proof of UGC-NET qualification. The applications should reach the undersigned latest by September 05, 2013. The students who has appeared for the June 2013 CSIR NET examination and awaiting for the result can also apply for these positions.

Interview will be held tentatively in the middle of September 2013. The short listed candidates will be informed at least a week in advance by e-mail. No TA/DA will be paid for the interview.
