National Conference on

Algebra & Number Theory NCANT-2012

August 16-18, 2012

As a part of
National Mathematical year
Celebrations -2012

Co-sponsored by NBHM, CSIR

About the conference

As a tribute to the mathematics wizard Srinivasa Ramanujan, the Year 2012 is declared as the National Mathematical year in India. Department of Mathematics, CUSAT is organizing a 'National Conference on Algebra and Number Theory' (NCANT) as a part of the NMY-2012 celebrations. The aim of the conference is to highlight the contributions of Ramanujan to Mathematics and to discuss the recent developments in Algebra and Number Theory. The conference also aims to provide young researchers an opportunity to interact with eminent mathematicians of the country.

About the Department

The combined department of Mathematics and Statistics came into existence in 1976 which was bifurcated to form the Department of Mathematics in 1996. Apart from offering M.Sc. and M.Phil. courses in Mathematics, it has active research programmes in Algebra, Graph Theory, Number Theory, Operations research, Stochastic processes, Wavelet analysis, Fuzzy Mathematics, Topology, Fluid Mechanics etc.
